Women Dental College

Abbottabad

The Message

Dr. Muhammad Azhar Jadoon
President
Professional Education & Promotion
Society (PEPS)

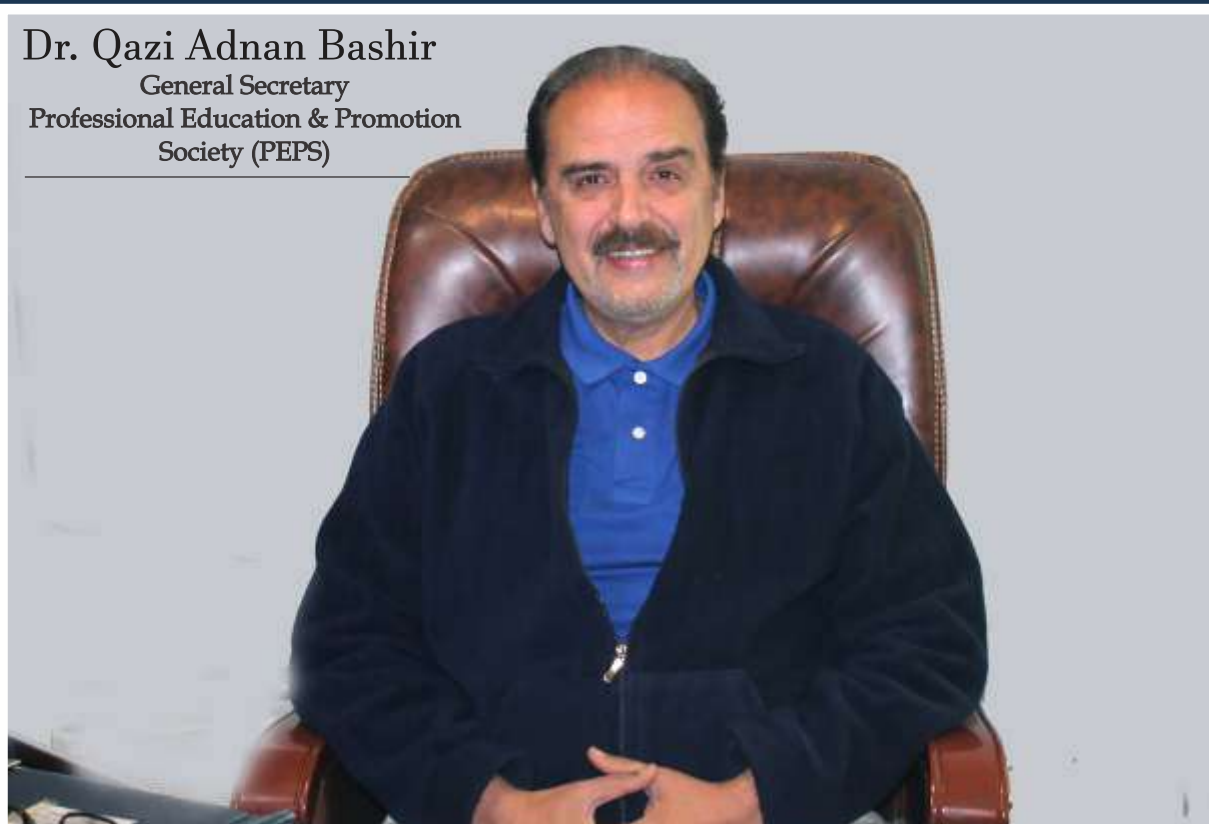

Our institution remains dedicated to fostering a culture of academic excellence and clinical precision. To our students and faculty, your unwavering passion continues to drive our collective success. As we navigate the evolving landscape of global healthcare, let us prioritize empathy and lifelong learning. Together, we are building a legacy of healthy smiles and professional integrity for years to come.

The Message

Dr. Qazi Adnan Bashir
General Secretary
Professional Education & Promotion
Society (PEPS)

Our mission is to equip you with the clinical expertise and ethical foundation needed to excel in dentistry. The BDS journey is demanding but it shapes both precision and compassion. As women in healthcare, you bring empathy, leadership and excellence to the profession. Stay committed to your clinical training and embrace lifelong learning. These values will define your success.
